

GIVING BACK TO THE PLACE WE CALL HOME.

Throughout 2027, *Johnston Donoghue Property* will contribute $1,000 each month to support deserving local people, families, organisations and causes across Gunnedah and the surrounding region.

That's $12,000 in community support over the year, helping make good things happen close to home.

WHO CAN BE NOMINATED?

We're inviting nominations for:

- - Local charities and community organisations
- - Sporting clubs, schools and community groups
- - Individuals or families who could use a helping hand
- - Local projects and initiatives making a positive difference

HOW DOES IT WORK?

1. Think of a worthy recipient deserving of support.
2. Complete a nomination form, telling us who you're nominating, why and what the funding could help achieve.
3. Our decision board will review nominations and select a recipient each month.
